

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

¶ Ho

Quicunque vult.

Whoſoeuer wyll be ſaued : before

all thynges, it is neceſſary that he hold the

catholike faith. Which faith, except euery

one do kepe holy and vndefiled : with out doubt

he ſhall periſh euerlaſtingly. And the catho-

like faith is this : that we worſhipp one god in
trinitie

trinitie and trinitie in vnitie. Neither con=

foundyng the persones : nor deuydyng the sub=

stance. For there is one persone of the father,

another of y^e sonne, and another of y^e holy ghost.

But the godhed of the father, of the sonne,

and of the holy ghost is all one : the glory equall
the

the maiestie coeternall. Suche as the father

is suche is y^e sonne : and suche is the holy ghost.

The father vncreate the sonne vncreate : and

the holy ghost vncreate. The father incom-

prehensible, the sonne incomprehensible : and

the holy ghost incomprehensible. The father
eternall

eternall the sonne eternal : and the holy ghost

eternall. And yet they are not three eternalles :

but one eternall. As also there be not three in-

comprehensibles, nor three vncreated : but one

vncreated, and one incomprehensible. So

likewise the father is almightie : the sonne al-
mightie

mightie, and the holy ghost almightie. And

yet are they not three almighties : but one al-

mightie. So the father is god the sonne is god :

and the holy ghost is god. And yet are they not

three goddes : but one god. So likewise the

father is lord, the sonne is lord : and the holy
ghost

ghost lord. And yet not three lordes : but one

lord. For like as we be cōpelled by ꝑ christian

veritie : to aknowlege euery person by himself

to be god & lord. So are we forbydden by the

catholike religion : to say there be three goddes

or three lordes. The father is made of none :
I neither

neither created nor begotten. The sonne is

of the father alone : not made nor created, but

begotten. The holy ghost is of the father and

of the sonne : neither made nor created, nor be-

gotten, but procedyng. So there is one father,

not three fathers one sonne, not three sonnes :
one

one holy ghost not three holy ghostes. And

in this trinitie none is afore or after other :

none is greater nor lesse then other. But the

whole three persones : be coeternall together

and coequall. So that in all thinges as is

afore sayde : the vnitie in trinitie, and the
trinitie

neither created nor begotten. The sonne is

of the father alone : not made nor created, but

begotten. The holy ghost is of the father and

of the sonne : neither made nor created, nor be-

gotten, but procedyng. So there is one father,

not three fathers one sonne, not three sonnes :
one

one holy ghost not three holy ghostes. And

in this trinitie none is afore or after other :

none is greater nor lesse then other. But the

whole three persones : be coeternall together

and coequall. So that in all thinges as is

afore sayde : the vnitie in trinitie, and the
trinitie

trinitie in vnitie is to be worshipped. He

therfore that will be saued : must thus thinke

of the trinitie. Further more it is necessary

to everlasting saluacion : that he also beleue

rightly in the incarnation of oure lord Iesu

Christ. For the right sayth is that we beleue
and

and confesse : ꝑ our lord Iesus Christ the sonne

of god, is god and man. God of the substance

of the father, begotten before the worldes : and

man of the substance of his mother, borne in the

world. Perfect god & perfect man : of a reasonable

soule & humain flesh subsisting. Equall to his
father

father as touching his godhed : and inferior to

the father, touching his manhod. Who althoughe

he be god and man : yet he is not twoo but one

god. One, not by conuersion of the godhed in

to fleshe : but by takyng of the manhod into

god. One altogether, not by confusion of substance :

stance : but by unitie of person. For as the

reasonable soule & flesh is one man : so god and

man is one christ. Who suffered for our saluacion :

descended in to hell, rose agayne y^e third day from

y^e dead. He ascended in to heauē, he sitteth on the

right hand of god almightie : frō thence he shall
come

come to Judge the quicke and the dead. At

whose commynge all men shall rise agayn with

their bodyes : and shall geue accōpt of their owne

workes. And they that haue done good, shall

go in to life euerlasting : and they that haue

done euill in to euerlasting fire. This is
the

the catholike fayth : which except a man beleue

faythfully he cannot be saued. Glory be

to the father, and to the sonne : and to the

holy ghost. As it was in the begynnynge,

is now and euer shalbe, world without end,

Amen.

And chiefly in the glorious and most blessed virgin Mary, mother of thy sonne Iesu Christ our lord and God, and in the holy Patriarches, Prophetes, Apostles and Martirs, whose examples (O lord) and stedfastnes in the faith, and keepng thy holy commaundementes, graunt vs to folow.  our prayers and supplications, by the ministry of
 thy holy angels, to be brought vp into thy holy
 Tabernacle before the sight of thy diuine maiestie:
